About This Content

This DLC is not compatible with an account created outside of Steam.

Still haven't upgraded to a Tier V ship? Then the special DLC that includes Texas will help you to complete the Combat Missions—you will be able to stand at the helm of that ship free for three days after downloading the expansion from the link. The countdown starts once you've added the DLC to your library and entered the game.

Texas is a tough fighter designed to fend off enemy attacks and break through enemy defenses. Carries good armor, numerous guns, and very effective AA defense for a Tier V ship.

Advantages

- Ten 356 mm guns causing high damage, but with the drawback of quite slow reload time, with a range of fire of 16.4 km.
- Powerful AA defense with 40 mm Bofors guns.
- Improved anti-torpedo protection compared to battleships of the same tier.
- 50% more XP per battle provided by her permanent camouflage.
